## Buyer Questions & Answers (7)

### How is this item supposed to be used?

...

It has the capability to be used for Digital.

...

### Did anyone figure out how to properly drive these? You need like 4 voltage levels, negative and positive. What ic can do this?

...

### Is there a standard driver chip for this display?

...

## Additional regulatory information

For items delivered from outside the European Union, you may be subject to additional charges for VAT and, when applicable, customs duties in your country. If AliExpress is obliged by law to collect VAT, you will see the VAT inclusive price at checkout. For more information about these costs, please contact the tax and customs authorities in your country.

Sold by Survy2014 Store. Logistics by AliExpress.
